

Terms of Reference for Staff Recruitment

I. Position Information

Job Title	: Field Supervisor (6 positions)
Location	: Kutai Barat, Paser, Penajam Paser Utara
Duration of Contract	: 12 months (possibility to extend)
Direct Supervisor	: Project Officer

II. Project Context

The World Bank with the resources provided by the EnABLE, a multi-donor trust fund, is financing a project to enhance the inclusion of target marginalized and disadvantaged groups in the East Kalimantan Emission Reduction Program (ERP) through enhanced awareness of and access to carbon and non-carbon benefits. Full details of the Indonesia EnABLE Project and associated East Kalimantan ERP are available on the World Bank website (<https://www.worldbank.org/en/topic/climatechange/brief/enable-enhancing-access-to-benefits-while-lowering-emission>).

Project beneficiaries are marginalized groups, particularly *adat* and women, within the populations of approximately 95 villages in Paser Regency, Penjamin Paser Utara, and Kutai Barat Districts. The selected villages will be located within the existing forest cover in East Kalimantan province, and are eligible ERP villages, having been selected due to the high potential for emission reductions. In addition, the project will benefit government officials and other stakeholders by enhancing their capacity to deliver more inclusive ERP activities.

Local NGOs will be recruited to support implementation of EnABLE by Kemitraan – especially organizations led by and representing indigenous groups – and will benefit from capacity building as a result of being involved in managing the project.

The development objective is to enhance the inclusion of target marginalized and disadvantaged groups in the East Kalimantan Emission Reduction Program (ERP) through enhanced awareness of and access to carbon benefits. The Project comprises of 3 main components:

COMPONENT 1: Capacity building and awareness raising for inclusive delivery of ERP

COMPONENT 2: Support for inclusive, nature-positive livelihoods and low-carbon practices

COMPONENT 3: Project management, monitoring and evaluation, & knowledge dissemination

The Partnership for Governance Reform (KEMITRAAN) is the selected Implementing Agency for EnABLE Phase-II. KEMITRAAN will be responsible to manage and implement the Project throughout the project cycle and liaise with the key stakeholders in project implementation. In ensuring the effective implementation of the Project, KEMITRAAN will form a quality Project Management Unit that will manage the day-to-day implementation and monitoring-evaluation of the Project. To carry out the expected development objectives and

outputs above, KEMITRAAN will recruit Field Supervisor that will assist and coordinate the project implementation at the district and community level.

Under the guidance and direct supervision of Project Officer, the Field Supervisor will provide oversight on the assigned project location(s) and is primarily responsible for coordination of project related activities at the district level.

EnABLE Field Supervisor will be based in each of the Project location administrative area, namely Kutai Barat, Paser and Penajam Paser Utara District. He/She will work closely with the Monitoring, Evaluation and Learning Specialist of EnABLE, Monitoring, Evaluation and Learning Officer of Kemitraan, Project Coordinator, Project Officers of EnABLE, Community Facilitators of EnABLE, Admin & Procurement Officer of Kemitraan, Finance & Grant Officers of Kemitraan, Project Finance and Administration Assistants of EnABLE, Service Providers, Pool of Technical Consultants of EnABLE, Government institutions (MoEF, Local governments), The World Bank Task Team for EnABLE Indonesia, and other staffs within KEMITRAAN office.
